Dear Haim, Prakash, Yossi (and the team),

Thank you for successfully completing the renovation of my flat.

This sort of work always costs more than one would like but, the results have not simply exceeded my hopes, they have matched my highest expectations.

Estate agents, in valuing the property, have all complemented me on the remarkable quality of the transformation you have delivered.

I feel confident that I will be handing over my flat to a new home owner in an enviably pristine condition.

Once again: "Thank you!."

Yours sincerely,

Jeremy Hunter-Henderson.
